

Week 7 • Term 2 • 2019

Hello Vincent Community!

Principal's report

Hello everyone!

Well done to the students who participated in this week's Interschool Athletics (Red Track). I went for a visit to the track and was so proud of the student's effort and behaviour in the stand. Thank you to all the staff and parents that supported the students.

A note will come home today about our special Rewards Day. Please make sure that students attend every day so that they will be able to participate in the event. Make sure you let the office know when your student will be away.

*Have a great day

Acting Principal*
