NAPLAN Results

Our NAPLAN results arrived last fortnight. Our Indigenous students in Year 3 are above the State mean for Indigenous results in grammar and punctuation, numeracy, reading and writing. This is a pleasing report on our students’ early years education and intervention here. This chart summarises our overall results compared to last year:

Prep Open Day

This is today. If your friends missed out on coming, tell them they can still enrol for our Prep4Prep program in Term 4. This will be on Thursday and Friday mornings.

Health

Dr Nicole is no longer able to provide the Thursday morning health clinics. Please encourage frequent hand-washing with soap. Flu season is upon us.

Fundraiser

We will have a sausage sizzle next Friday, 28 August, to raise money to make a wish come true for one of our students.

P&C Meeting

There will be a P & C Meeting this afternoon: 3:30pm in the staffroom. On the agenda is our new uniform shirt. This change is proposed to lower the cost of the uniform and to change the material of the shirt.
