Hello Vincent Community!

Swimming

Our swimming carnival is on Friday from 10.00am to 2.00pm at Aitkenvale State School swimming pool for Year 1 to 6. Come along and watch! For students who are unable to attend, classes will continue back at school. Please ensure your children are sun safe for the day with hat, swimming shirt and sunscreen. The tuckshop is closed on Friday.

Every Day Counts!

Attendance is an issue. Only two classes are meeting the target of above 90% attendance. We are averaging about 80 students at school by 9.00am every day. This means almost fifty students are not attending school every day. Remember there is an Attendance Rewards Party for students who are ON TIME, EVERY TIME.

Hearing Health

On Monday, all students will participate in a hearing health lesson. It’s amazing how blowing your nose every morning can save a child’s hearing. Have the tissues handy!

A Calm School

Our classrooms and playground areas are much calmer after two terms. This is because the whole school is using the ‘High Five’ to solve problems. It also means that when there is a problem between students we have a common solution to solving problems. We also have semi-professional athletes employed as teacher aides who model fair play on the footy field each day and this has been very successful.

Bike Security

Since returning to school this year we have had two bikes stolen from the bike racks.

PLEASE make sure that your child’s bike has a ‘bike lock’ and that it comes to school with the bike.

Also stress to your child the importance of securing their bikes at ALL times.

If you go to the police station they will engrave the bike for free guaranteeing that if the bike is found it can be returned to you.
