The school has re-established its LCC. This is a group that represents all parts of the school community. It has school leaders, staff representatives from the teachers’ union, teacher aides’ union and cleaners’ union. The LCC is asked its opinion on a range of things affecting the school. The LCC wouldn’t be complete without one or two parent representatives. If you’d like to be involved in the one or two meetings per term, let the office know.

ANZAC-NAIDOC Mural

Deadly Arthur (Arthur Conlon) has done some great work this week creating our mural with assistance from our students. The Aboriginal ANZAC soldier featured on the mural is Trooper Horace Thomas Dalton of the 11th Lighthorse Regiment. Other key symbols are the rising sun badge and the slouch hat. This mural recognises our ANZAC soldiers’ sacrifice, as well as the contribution of Aboriginal and Torres Strait Islander soldiers in the year of the 100th anniversary of the Gallipoli campaign.

Shave for a Cure

On Monday 16 March, pay a gold coin for coloured hair spray. At assembly from 2:30pm see dad Tyrone have his head shaved.

STAFFING

While Miss Melazzini is away, Ms Ruby McDowell will teach her class. We know Ms McDowell from her work here as a relieving teacher. Mrs Julie Nielsen, our Auslan LOTE teacher, has been offered a job with Defence. We wish her well in her new position. A suitable replacement teacher will be announced shortly.

Chappy Peita

Chappy Pieta has been at Vincent State School for four weeks now. She will be running dance sessions on Thursday lunch times. Other exciting events are planned so stay tuned. We share Chappy Pieta with Wulguru State School.

St Patrick’s Day

Tuesday 17 March

St Patrick’s Day is celebrated by all those with Irish heritage. Green pancakes will be on sale at the tuckshop.
**Inter-school Swimming Carnival**

Congratulations to those students who have been selected to compete in the carnival next week.

**Attendance**

One-third of our students are here every day. They have been rewarded this week with our second pizza party. It is pleasing to see no classes are on red level (below 80%). Every Day Counts. School starts at 9:00am on the dot, so be on time to be a learner.

**Times Tables Challenge**

Do your children know their times tables? Perhaps you could practice in the car to and from school each day.

---

**The Cathedral School**

**Scholarship Opportunities**

Scholarships are available to students entering Year 7,8,10 or 11 in 2016. These include Academic, Music, Church and Boarding Scholarships. Full details can be accessed on their school website [www.cathedral.qld.edu.au/scholarships](http://www.cathedral.qld.edu.au/scholarships)

Scholarship applications close on 20 March and the scholarship tests will be held on 28 March.

---
