Classes are again learning about managing conflict this week. Many of our students are able to do this successfully.

Successful students:

- keep their hands and feet to themselves,
- solve problems using appropriate language,
- ask an adult to help solve problems and
- model appropriate behaviour

We ask parents, family members and carers to support us by discussing appropriate ways of managing conflict and praising children when they do handle a situation well.

School Dental Service

We have been advised that the School Dental Service will be visiting Vincent State School soon. The Dental Van offers free examination and treatment to children enrolled at the school.

Each of your children will be bringing home a form today that you must complete and return to school by next Tuesday 11 March.

At this stage we don’t know exactly when the van will arrive but we will let you know as soon as we know.

Please return the completed form to your child’s teacher.

Interhouse Swimming Carnival

Our annual carnival will be held on Friday this week.

Nominations are now closed.

Students who have nominated are reminded to bring all the required gear, and to be on time for the bus, on Friday morning.

Parents, family and friends are encouraged to attend.

We look forward to seeing you there.

FREE Community Health Visits at Vincent State School

Every MONDAY during school term:

2.30pm – 3.15pm

In A-10 formerly the Vincent Family Worker Room

Communities for Children is an Australian Government initiative funded by the Department of Social Services.
Xo in the Classroom

Years 5/6 showcase the XOs they have been using in class.

My Xo is fun. Play is deadly. Excellent to do spelling, writing, reading, paint and chat.  
Tina

I can go on Chat to talk to my friends. It is fun.  
Emilio

Last year when I heard that next year the year 6 students would get an XO, I was very happy and excited.  
Monica

I play with my XO it is fun.  

I like going on maths and chat because it’s fun.  

I like playing physics on my XO.  
Colby

I think the XO is really fun. You can write, read and play games. I like the XO because you can research all different stuff.  
Emelia

On my XO I can chat and connect chat and write. I can do activities. It is fun. I feel very happy that I can be allowed on this every morning to do my spelling and journal.

I like physics on my XO. It is fun. It is the best.  
Danny

What I like best about XO is Physics. It is fun and is my favourite app so far. It’s awesome!

I like going to chat because I can talk with all my friends.  

I like the XO because we can go on chat and play games.
